The Uniting Tranby Engagement Hub (Tranby) is WA's only co-designed, purpose built space for people experiencing homelessness.

Supporting up to 250 people per day, Tranby provides immediate crisis support including meals and showers, as well as access to laundry, internet, medical, legal and other visiting services.

But that's just the beginning. Tranby adopts an active referral and engagement model that extends beyond crisis support to focus on long term outcomes.

The Tranby team provides wrap around services that are tailored to the needs of each individual, enabling people to address the issues that contributed to their homelessness and take the next positive step in their lives.

Your support will enable us to continue to deliver this vital service to the community.

Your day with Uniting WA.

Your team will be welcomed at the Uniting Inner City Hub, which is co-located with the Tranby Engagement Hub for people experiencing homelessness.

The Uniting team will brief you on the issues that contribute to homelessness in our city, and you'll meet someone with firsthand experience of sleeping rough on the streets of Perth.

You'll also tour the purpose-built Tranby Engagement Hub (Tranby) before collaborating and competing within your team to complete a cooking challenge that will directly benefit Tranby service users.

Talk to us today about a team building experience that will make a measurable difference in your community.

Call 1300 663 298 or email partners@untingwa.org.au.

Financial contribution.

Uniting WA is a not-for-profit organisation that relies on donations as well as government and corporate support.

Your contribution of \$2,250 (groups of 15 people) will cover the costs of delivering your team building experience and also support the delivery of Uniting WA community programs and services.

Your impact.

Uniting WA is a community services organisation that supports thousands of West Australians every year.

We support people experiencing domestic violence, financial hardship or homelessness, as well as those living with mental illness or disability. We also support children experiencing vulnerability and families at risk of breakdown.
